

bSteam 25

Versatile, powerful, durable

Designed for professionals and cleaners, the bS 25 portable dry steam cleaner is manoeuvrable, flexible and easy to use. With its stainless steel housing, this professional dry steam cleaner is ideal for all smaller cleaning applications: from hardwood floors to carpets, from mirrors to bathrooms. The bS 25 reaches a steam temperature of up to 160°C and combines maximum cleaning efficiency with low resource consumption.
