

Manoeuvrable and highly efficient,
easy to push thanks traction drive

KS650 IBC

KS650 IBC

Whether inside or out, the hand-guided vacuum sweeper KS650 IBC removes dirt and dust from all hard floors. It can also clean carpets with the carpet set. The machine is very manoeuvrable, easy to push thanks to its traction drive and highly efficient with a cleaning speed of 5 km/h. The overhead projection principle ensures that the dirt container is filled optimally. Because the KS650 IBC is battery-operated and fitted with an onboard charger it gives off no harmful emissions.

Technical data

| | |
|-------------------------------|------------------------|
| Total power | 750 W/12 V |
| Dirt container volume | 35 l |
| Dirt container weight | 25 kg |
| Traction drive | infinitely variable |
| Productivity rate theoretical | |
| with side brush | 3525 m ² /h |
| without side brush | 2525 m ² /h |
| Speed | 5,0 km/h |
| Working width with side brush | 71 cm |
| Weight | 122 kg (incl. battery) |
| Dimensions l/w/h | 110 / 71 / 72 cm |

Complete incl.

| | |
|---------|----------------------------|
| 065.142 | Discharge signal indicator |
| 065.171 | Main brush roller |
| 065.193 | Side brush for indoor use |
| 065.199 | Onboard charger |
