

A red and black Cleanfix RA501 E scrubber dryer is the central focus, positioned in a well-lit garage. The machine features a large red cylindrical tank, a black control panel with a handle, and a large circular brush at the bottom. In the background, a classic silver Volkswagen Beetle is on the left, and a dark classic car is in the center. The garage floor is polished and reflects the overhead lights. A logo in the top right corner reads 'cleanfix' with 'SWISS MADE QUALITY' below it.
