RS08B

RS 08B

The battery backpack vacuum cleaner RS08B is ideal for the cleaning of places with limited or cramped space or occupied areas, e.g. between rows of seats in cinemas, auditoriums, theatres, or in trains, buses and airplanes. Can also be used wherever there are no sockets. Perfect for cleaning stairs and stairwells.

The use of a high-performance lithium-ion battery allows working for up to 60 minutes. The low carrying weight of only 6 kg (incl. battery) enables fatigue-free and comfortable working.
